

Lee A. Daniels, formerly of Lee Daniels & Associates LLC, and Joyce M. Slone, SIOR, CCIM, formerly of Slone Commercial LLC, announced that they have formed Daniels Slone LLC. The Elmhurst-based firm will specialize in brokerage, investment and advisory services for land and building owners, tenants, investors and developers in the commercial sector of the Chicago regional market.

Daniels

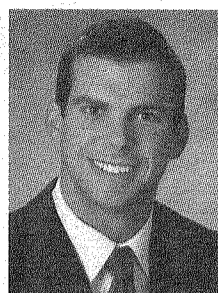

Slone

Lee A. Daniels, founder and owner of Lee Daniels & Associates LLC, is an attorney, commercial real estate broker and former Illinois Representative. Daniels retired in 2006 from the Chicago law firm of Bell Boyd & Lloyd, where he was an equity partner. He served in the Illinois House of Representatives from 1975 to 2007, and was Speaker of the House from 1995 to 1997. He currently serves on the Board of Directors for Inland Diversified Real Estate Trust Inc. He is a graduate of the University of Iowa and earned a law degree from John Marshall Law School. He has received numerous honors including an Honorary Doctorate of Law from Elmhurst College, where he is an adjunct professor.

Joyce M. Slone, SIOR, CCIM, founder and owner of Slone Commercial LLC, is a 30-year veteran

in the commercial real estate industry and has completed sale and lease transactions totaling over \$415 million. Prior to forming Slone Commercial in 2004, Joyce was the director of portfolio leasing for Northern Builders Inc. Slone attended Elmhurst College and has served as commissioner of the city of Elmhurst's Zoning and Planning Committee since 2004.

Benjamin J. Warriner has been promoted to vice president of construction from senior project manager at Morgan/Harbour Construction. Prior to joining Woodridge-based firm, Warriner was a project manager with the Ryan Cos. and a project manager for McClier Construction. He has a bachelor's degree in civil engineering from the University of Illinois at

Warriner

Colliers B&K's downtown office, servicing key corporate accounts such as Cummins Inc. and Alstom Power, among others.

Michael D. Cummings was promoted from senior vice president to executive vice president. Cummings joined Colliers B&K's Office Advisory Group in 1992 and has over 19 years of experience in the commercial real estate industry. He recently received Colliers B&K's award for most completed transactions in 2009.

Evan T. Djikas was promoted from vice president to senior vice president. Based in Colliers B&K's downtown office, Djikas specializes in multi-market Corporate Solutions, primarily for capital market-driven transactions. In 2009, Djikas negotiated 980,000 square feet of office transactions and 280,000 square feet of industrial trans-

actions. **Urban** - Champaign.

Colliers Bennett & Kahnweiler Inc. has promoted nine individuals. Alain G. LeCoque was named principal. He leads a seven-member team in

actions. **Brian W. Kling** was promoted to senior vice president from vice president. Kling is an industrial services professional focused in the Central DuPage, Fox Valley, and Elgin I-90 submarkets. This marks Kling's third promotion in four years. In 2009, he represented Nicor in its 65,500-square-foot consolidation at the East-West Corporate Center on West Diehl Road in Naperville. He was recently named Colliers B&K's industrial services group top producer for his 2009 performance.

Peter N. Kelly was promoted from senior associate to vice president. Kelly, a member of Colliers B&K's suburban Office Advisory Group, focuses primarily in the north and northwest suburban office markets while working closely with Principal Kevin L. Clifton.

Ryan Barr was promoted from associate to senior associate. Based in Colliers B&K's downtown Chicago office, Barr focuses on cultivating national accounts with Alain LeCoque. Barr was recently named a co-winner of Colliers B&K's "Top Emerging Broker" award after recognizing his superior performance servicing clients such as Alstom Power, Cummins Inc.

Brendan C. Green was promoted from associate to senior associate.

Some of the Biggest Names in Supply-Chain Distribution Are Driving the Success of the I-39 Logistics Corridor.

Let's Keep on Truckin'!

During the 2007-2008 period, the I-39 Logistics Corridor booked approximately 8,200,000 SF of new commercial development and leasing activity, representing an increase of 67% over the 2005-2006 period. The significant benefits of locating within the 165-mile corridor are what make I-39 the ideal, highly accessible, low-cost location for business and the driving force of global trade.
