Website Updates

- Minor changes to the structure of a few pages were made to keep each page consistent.
- [Sites & Buildings](#) page was updated to make searching in LOIS easier. We are looking into how to search in Wisconsin as well.
- A [Photos](#) page will be taking the place of the Login page, since logging in no longer works.
- The biggest change is to the [Map](#) page. The map has been updated to reflect members of the Association, as well as to be more aesthetically pleasing.
- If you have any more ideas for the website, please email them to [Brandi Beals](mailto:Brandi.Beals).
