

Welcome to CATALYST!

The I-39 Logistics Corridor Association is pleased to present this issue of CATALYST, the e-newsletter designed to establish "Superior Transportation Infrastructure in the I-39 Logistics Corridor and the Chicago Region". This e-newsletter contains information that helps corridor members stay informed and assisting the association further its goals. We welcome your feedback to the CATALYST and to our group's work.

The I-39 Logistics Corridor Association hosts the fourth annual "Festivus" broker event on Thursday, October 22, from 4 to 7 pm at The Clubhouse in Oak Brook. Last year over 200 industrial brokers and real estate professionals attended.

You are encouraged to support this key networking event that promotes continued awareness and potential investment in the I-39 Logistics Corridor with your attendance, and most importantly by spreading the word to your site selector and real estate professional contacts.

Once again the sponsors have raised enough to have cash prizes, airline ticket vouchers and a delicious array of appetizers and drinks.

This is a call to action! We can only assure a successful networking event if key contacts are in attendance. It is a great time to network with Chicago area deal makers and present your self for a spring groundbreaking opportunity. Please forward this email to your contact list to assure their attendance.

For more information about 2009 "Festivus", please contact the association office toll-free at 877-390-3939. We look forward to seeing you at this premier event.

Sincerely,  
Janyce Fadden

This year begin your holiday season at I-39. During the 2007-2008 period, the I-39 Logistics Corridor booked approximately 8,200,000 SF of new commercial development and leasing activity, representing an increase of 67% over the 2005-2006 period. The significant benefits of locating within the 165-mile corridor are what make I-39 the ideal, highly accessible, low-cost location for business and the driving force of global trade. So come to our holiday soirée, talk to the I-39 developers and help us celebrate the harvest.
